Dear Parent/Guardian,

The ROCORI Action Packs program provides the gift of free weekend meals to ROCORI students. Our mission is to support and promote the success of ROCORI students. We anonymously send home Packs of quick and nutritious food at the end of each school week. These are available during the school year to any student who could use more access to food on the weekends. Each Pack includes 9-10 healthy food items that cover weekend breakfasts, lunches, and snacks. (Pack contents subject to change).

We understand there are many circumstances and reasons that your student may need more access to weekend meals, and we are here to help! The program started in 2014 and is solely supported by the generosity of the local community (not government-funded). **This is a need-based program. There is NO cost to you and there are NO income qualifications.** The Packs are a gift to students from the local community. We hope students and families feel supported & cared for when receiving weekly Packs!

Examples of students or families who could benefit from this program might include:

- Family on a limited income
- Family whose income has changed because of a job change or job loss
- Family experiencing a medical crisis or other emergency situation
- Family where a parent/adult is working on the weekend and not home to fix meals

Any family is welcome to sign up at any time during the school year. If your needs change during the school year, you may also opt out of (or into) the program by contacting the school office.

If you feel your child could benefit from a ROCORI Action Pack each weekend, please fill out the attached form and **return to school by Friday, September 6th.** If you participated in this program last school year, you MUST re-enroll with the form. Pack distribution will begin later in September.

Please call your school office if you have questions!

THANK YOU!

YOUR CHILD'S INFORMATION WILL NOT BE SHARED WITH THE ACTION PACKS PROGRAM.

YOUR FEEDBACK IS GREATLY APPRECIATED!

YOUR ANSWERS TO THE QUESTIONS BELOW WILL REMAIN ANONYMOUS.
